Health message: Coronavirus

Athenian Academy will work with and follow the direction of the Pinellas County district. If necessary we will have plans in place to adapt to the situation and will have ongoing communication with parents and guardians.

Pinellas County Schools continues to work closely with the Department of Health and Pinellas County Emergency Management to ensure the health and safety of our students and staff. According to the Department of Health in Pinellas County, there are currently no cases of COVID-19 in Pinellas County or in any of its municipalities. The DOH will contact the school district in the event of someone testing positive for the virus, and the district has contingency plans in place if needed. We ask parents and families to stay calm during this time and to trust only reliable information sources including www.floridahealth.gov. Pinellas County Schools will remain diligent in following the latest data available and will communicate with parents as we receive new information. All updates will be posted at www.pcsb.org/coronavirus

The safety, health and well-being of our students and staff is our top priority.

Reminders to Parents:

When your child is sick:

Staying home when sick will help your child get well and protect classmates.

Please do NOT send your child to school if he/she has:

- Bad cough
- Eye infection
- Diarrhea
- Severe sore throat
- Vomiting
- Fever

***Child must be fever free without medication for at least 24 hours before returning to school.**

Tardies:

Students must be signed in at front office by an adult if tardy.

Lunches:

Lunch orders are called in to Countryside High school for delivery by 8:30 with your hot lunch order.

Uniforms:

We have noticed increasing numbers of children who are not wearing the correct school uniform. Mainly this is families forgetting or not being aware of what is and isn't allowed. If you have any questions please feel free to contact us.
