

Great news, Parents!

We have a new payment system in place for school lunches and aftercare called E-Funds! This system will be much easier for you to use and us to track. This will begin when we return from winter break January 3rd, 2022. However, you can begin to sign up immediately and learn how the system works.

Please use the link below to create a parent account and add your child/children. To add your child, you will need their Student ID. The student ID can be found in focus. If you need assistance in retrieving your child's student ID please contact the front office and we will be able to assist you.

For payments made with a credit/debit card, there is a \$2.85 transaction fee for every \$100 payment.

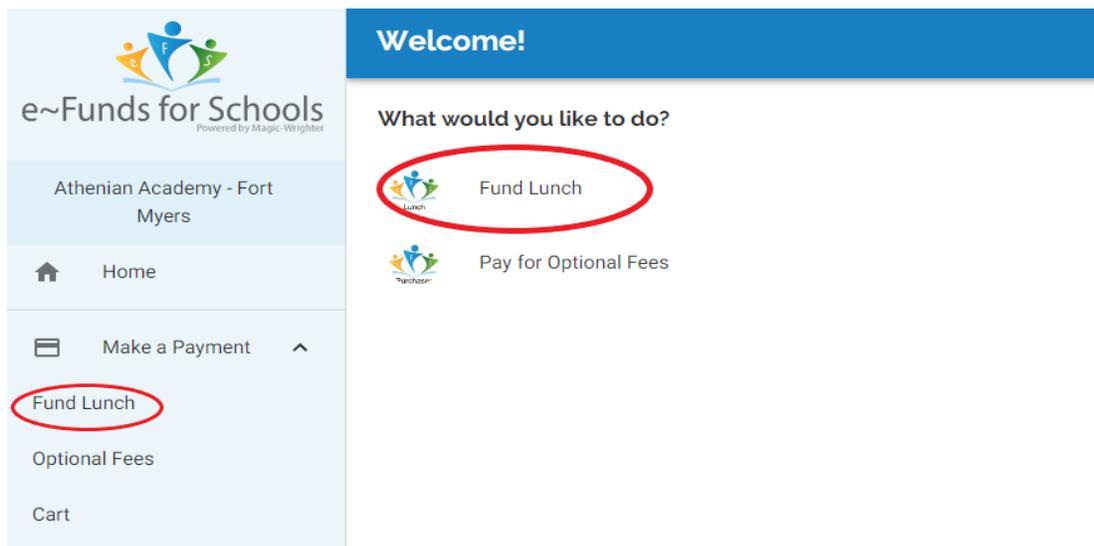

For payments made with a checking account, there is a flat \$1.50 transaction fee.
